# The Three Great Purifiers

## The Great Blood Purifier

Recommended for the Treatment of Eruptive Skin Diseases, Chronic Catarrh, Rheumatism, Gout, Lumbago and All Conditions Caused by Impure Blood

Two of the greatest purifiers in the world are sun and water, and on both depends life.

As a purifier of the blood, no preparation stands higher than Plough's Prescription C-2223. For years and years this liquid prescription was used by a successful physician in his private practice. He found that this particular formula gave the best results to those of his patients who were suffering from some constitutional blood disease. In time this doctor made quite a reputation both for himself and the prescription which he used; today a large number of bottles are required by druggists to supply the demands of those in need of this meritorious preparation.

In the treatment of Chronic Rheumatism, Catarrh, Scrofula and other similar diseases of the blood, Plough's Prescription C-2223 has given relief to thousands. Despairing, helpless sufferers have secured benefit from this liquid prescription where all other advice and treatment had failed.

If you are suffering from a condition caused by bad blood, or you fear that the poisons and accumulations have never been entirely eliminated from your blood, you should begin now and take the Plough's Prescription C-2223 Treatment. This liquid preparation contains no Morphine, Cocaine, Strychnia, Chloral or Mercury; on the other hand, it is composed of certain medicinal ingredients, all of which are well known to medical authorities as being very effective in the treatment of Rheumatic and Blood Troubles. The very best materials and the greatest care are exercised in the preparation of this splendid treatment, so that you can be sure that if you follow the directions given as to its use, you will be greatly benefited if not permanently relieved.

In the treatment of Chronic Rheumatism, Catarrh, Lumbago, Gout and Sciatica and any condition due to bad blood, it is important that the liver be active. To stimulate the liver, relieve constipation and keep the bowels in a healthy condition, Plough's C-2223 Liver Pills are especially recommended. They do not

nauseate and can be used by those who cannot stand a dose of calomel or other drastic purgatives.

Plough's Prescription C-2223 can be supplied you ready prepared by druggists at \$1.50 a bottle; the Pills at 25c, or if you are unable to get the treatment from your home dealer, send \$1.75 to the 2223 Laboratory, Memphis, and the package will be mailed you postpaid. You can get a free sample of the Pills and literature by writing.

### CHICAGO TRIBUNE QUESTIONED ON ITS ANTI-RIOT ATTITUDE

CHICAGO, Oct. 15.—During the recent rioting in Omaha, Neb., the Associated Negro Press sent a letter of protest to the Chicago Tribune, one of the leading dailies of the country, concerning

headlines used in one of their editions with reference to the riot. The paper of the great influence the paper of the Tribune, is watched very closely by hundreds of newspapers throughout the country.

In a personal reply, Col. R. B. McCormick, one of the editors of The Tribune, endeavors to leave the impression that this newspaper is fair in its deal-

ings with Colored people. He says: "Tribune representatives have been physically run out of Southern towns because of the Tribune's attitude against lynching. The Tribune was the first, if not the only, public organ to take up the question of better conditions for the Colored man in Chicago and to advocate the necessity of providing them with places to live if we

are going to bring them here to work.

"My law, whether enacted against Colored or white men, has always followed a failure of the constituted authorities to perform their obligation. The Tribune will continue to be, as it has for many years, the leading journalistic opponent of lynch law. We feel, however, that before this end can

be effectively brought about, we must proceed in the country and in the city a condition where criminals are rapidly apprehended and moved out of the way. I think all editors should devote considerable energy to the agitation of this essential condition.

Nevertheless, it seems that the point of view of The Tribune, and that of the Colored people regarding what is 'fair

and just" do not harmonize, because in their issue of recent date, there appeared an editorial on Race Riots. It was nothing more or less than a veiled threat that if the Colored people did not stay in 'their place,' the white people will put them in 'their place' and keep them there.

The big question seems to be 'where

is 'the place' of the Colored people of America?"

**LOVE MUSICIAN MAKES BIG HIT AT BOOKER WASHINGTON**

A "Red Hot" Bill Offered This Week With a Budget of Side-Splitting Comedy.

Harry Larkins, a lone musician with a guitar, a repertoire of unusual parodies and a wistful, tender voice, actually stopped the show at the Booker Washington Theatre, Monday night. This feat was performed when the audience compelled the feature act to withdraw from the stage and accept his apologetic for Larkins' style of entertaining. His parodies, and timely being on the subject of "Dime-nay and William and Africa," Larkins, who is a good singer, hit a decided chord in the fact that the entire bill was "red hot" and a real bucket of side-splitting comedy from beginning to end.

Edwards and Larkins, who follow the jolly musical, have nothing but his tremendous hit. The team enters in a show of business and leaves it going through the act. The man is known as "Red Hot" and as a replica of the life of Shakespeare, he is almost perfect. The audience goes wild over his eccentricity, even if some of it is a little, vulgar in spots. Miss Edwards is a good support, vivacious, and serves a hit of her own. "Red Hot" is a conversationist, and a tough on "You Can Have It," goes.

The McWhorter Jones Trio consists of two women and a man. The man is a good comedian and makes an instantaneous hit with the crowd. The female trio-applauds with two individual song numbers, the man, with the blues, on a clarinet, and after a few lines of exaggerated provocations, the trio closes with an instrumental imitation, employing a feather duster and two brooms for instruments.

Lens Wilson offers three song numbers, dressed in a droll manner and wins applause. She is comely and well continued.

**NEXT WEEK.**

The bill next week at the Booker Washington will be a happy, jingling, musical comedy presented by Pal Williams and a capable company of performers. The choruses are good and as said to possess beauty and elegance as well as talent.

**"DO IT BUT DO NOT WASTE TALK" WAS "T.R.'S" MOTTO**

A record of red tape in dealing with vital public questions marked Theodore Roosevelt's career as a public official. Results? These were the two things that he strove for: "Do it" and "Do not waste talk." The new man who was called "The Trust Buster" ever excelled Roosevelt's capacity for accomplishment. One of the famous words was: "Do it but do not waste talk." Roosevelt was a man who was always "do it but do not waste talk." One reason that Roosevelt was so successful as a statesman was his capacity to do it but do not waste talk. He was a man who was always "do it but do not waste talk."

## Did You Know Your Complexion Changes With The Season?

And if you fail to protect your hands and face before going out in the chilly days of Fall, just before winter winds, the beauty of a life time may be marred by chapped hands and a dry rough face.

Too, think how easy it is every morning and evening to give your hands and face a gentle application of **Mme. C. J. Walker's Witch Hazel Jelly** which is a non-oily preparation and vanishes into the pores of the skin, leaving it soft and smooth at the same time insuring and preserving its beauty--One large size 35c. Jar will last a month--Mme. Walker's Witch Hazel Jelly is also a splendid base for Mme. Walker's Superfine Face Powder which is absolutely harmless to the most delicate skin, invisible and guaranteed to stay on.

## OUT OF TOWN NEWS

WEBSTER GROVES, MO.

H. J. Simms.  
The first quarterly institute of the B. Y. P. U. will be held at the First Baptist Church, Sunday, October 26, at 2:30 p. m. A very interesting program will be rendered. The A. M. E. Conference which convened in St. Louis last week favored the A. M. E. Church by sending them Rev. Stanley of St. Louis. He has been for a number of years past supply at St. Paul. He will succeed Rev. Christy.

Rev. R. E. Lee arrived last Tuesday from Kansas City, Mo.

where he was attending the Baptist State Convention, and Mrs. Etta Simms arrived Monday last. They reported a very profitable and pleasant stay. Mr. and Mrs. Rev. E. A. Graham and son are now at home at 410 W. Brady where they will be pleased to greet friends. Miss Iva H. H. who arrived last week from Pittsburgh, Pa. is now the house guest of her father and mother, Mr. and Mrs. Thaddeus Rankins and family.

Mrs. Benah McFutrell was the dinner guest last Friday of Mr. and Mrs. William Emery at the Grand Central Hotel in honor of their departure for California last week. Mr. and Mrs. H. H. have entertained in honor of Mrs. Decca Vane of Louisville, Ky. last Sunday. The guests of honor were Mr. and Mrs. Hugh Allen, Mr. and Mrs. Jasper Hicks, Mrs. William Steward, Mrs. Blanch Munday and Miss Vera Revley of St. Louis. Mr. Harry Tate of Springfield, Ill., was the guest for a few days last week of his sister, Mrs. Melissa Roberts and husband.

Gertrude Dixon, of Accon, Ill., was the guest last week of her mother, Mrs. Charles Powell and her daughter, Ruth Oliver. She left last Sunday for her home. Mrs. Jennie Gale of Chicago, the mother of Mr. James Wheeler and cousin of Mrs. Nannie Varner, was called to her home last Monday after visiting relatives for two weeks. Mrs. Magr Scott had as her dinner guests last Sunday her son, Mr. and Mrs. Harold Scott and Mr. Arthur Scott. Mr. Henry Reese, the father of Mrs. Albert Green, who has been sick for the past year, is still confined to his bed. Rev. Johnnie Allen, of Oange, Mo., who was attending the A. M. E. Conference, made a hurried but pleasant call in Webster last week. Mr. and Mrs. Charles Thomas are very much elated over the success they have had thus far in their grocery store. The outlook for the future is very prosperous. They hope the patronage will continue.

Mr. and Mrs. N. W. Ward, of St. Louis, were the pleasant callers Sunday at the residence of Mrs. Nannie Steward. Mr. Arthur Steward left last Sunday for Detroit, Mich., for an indefinite stay.

An abstract from an editorial as appeared in the Webster News Times October 10, 1919:  
The people of Webster Groves need never fear a race riot from the Colored people of Webster, as the Colored population of Webster is very small, and all those who reside here are law-abiding. Many of them live in property and men who will take up arms at any time to assist in quelling an uprising caused by any one coming to Webster Groves for the purpose of causing trouble. Should any one start a rumor, sure it is to be blown and not to knock Webster.

#### THE STEEL STRIKE.

Many and varied have been the newspaper comments on the great steel strike that is now going on in the large industrial centers of this Nation. Of course, the strike will soon be settled with both sides claiming the victory.

We are interested as far as the strike directly affects the Negro from an industrial standpoint. Now and then a press report gives an account of clashes between Negroes and strikers. Then a report is circulated to the effect that Negro strike breakers are being imported into these districts.

We do not relish the expression "strike breaker" when referred to the Negro, because we want to be men as other men. We must work with our hands for a livelihood.

A larger per centum of us belong to the laboring class than any other group of workers in America. Therefore we can't but appreciate the importance of organization. We have been denied the privilege of joining most of the labor organizations, especially to affiliate with the American Federation of Labor.

For that reason, our opportunity to work in many of the industries has come when the wheels of these plants have been stopped or threatened with stoppage by the steel strikers. We are not strike breakers, and as such we never give our consent, but we are workers, seeking to earn an honest living by the sweat of our brow.

The charge against us that we are strike breakers is very unjust. We have no alternate, we must work when given the opportunity. If that opportunity only comes when the unions are on a strike, necessity forces us to accept work when and where we can get it.

Let the workers remove their ban on admitting colored men to their councils, and they will find him true and loyal to every trust just as he has always been to every other cause he has been entrusted to his care.

#### ROOSEVELT MEMORIAL.

Just a few days ago we went to press in which we shall have an opportunity to subscribe to a fund to erect a monument to the memory of the late Theodore Roosevelt.

We, as a group of American citizens, will take great pride in subscribing to this fund because Mr. Roosevelt was the ideal American, in that he had a keen conception of the rights and duties of citizens in a Republic like ours. Fearless and zealous were his strong points. He feared not what the howling mob might say when he once made up his mind that his cause was right.

He was more zealous for American ideals than any other man in public life in his day.

We had great hope of him as the Savior of American principles, so we built a monument to his memory that his life may inspire others to emulate his merit.

Every man, woman and child who has heard of his name should give something. Just a little will help our own lives.

#### STRONG PROTEST AGAINST NEGROES.

A local daily paper carried a news item a few days ago, concluding what is alleged to be a strong protest from "West end citizens" against the Negro encroachment on white people's territory of this city.

At first thought we are inclined to ignore the protest as being too absurd to give further attention, yet we feel that such a move in a free country should not go by unchallenged. We should like to know what right have these protestants to say who shall live here, or who shall live there? If they do not like their neighbor, this is a free country, they can move.

The cause of this strong protest is the white people themselves are trying to sell a certain piece of church property to a Negro congregation. The trustees of the church sought the Negroes to live on the property and they accepted and have laid down one thousand dollars as just payment. The Negro has a right to buy and hold property anywhere in this country so long as he conducts himself as a good citizen. His boundaries are limited only by his purse strings, just as any other group of people. There are no reasons why he can't come from this American, but the venerated class. True and patriotic Americans will turn a deaf ear to such protests.

#### "COMMISSION" MAKES FARCIAL REPORT ON CONDITION IN MISS.

Dr. Associated Press—

CHICAGO, Oct. 22.—The Farci Commission, that recalls, was into Mississippi at the instance of the Chicago Association of Commerce and Industry, last night, such glowing reports from that wonderful country as being a land of promise, free from all those who have been wretched the effect, claim that the propaganda of injustice will have to look elsewhere for schemes to get the colored people to return South.

The committee was commissioned by the Chicago Association of Commerce, that the federal bureau of labor and organized labor, it has just made its report, relating that it found "deep" moral, business, and economic and prosperity among the Negroes of Mississippi. The report says that the facilities were found to be most churches adequate, housing conditions being improved rapidly and race relations good. The industrial Negro is afforded excellent opportunities to become a land owner. No police oppression, imprisonment or lawlessness was found. The committee relates that its facts "were secured from the Negroes themselves, and we had the privilege of riding with them and observing their farms in automobiles on their own."

This is the surprising report brought back by Northern investigators from a white commission representative of the United States government, as being and showing Negroes to be so happy and contented in Mississippi that they recently issued an invitation to Negroes who had migrated to return to return.

One exception, however, suggests itself. The Chicago Commission was to report on conditions in Mississippi of the Negroes who have moved to Chicago, where they seem to be so

"Where" is it propaganda to induce Negroes to leave the city and state?

#### URBAN LEAGUE PROMOTES CLASSES IN SOCIAL SCIENCE

At the request of the Urban League the department of social science classes will be held at the city's next Monday night, October 27th, at the Central High School, at 7:30 p. m. in the study of Industrial Problems. The emphasis will be placed upon problems affecting Negro employment. The work of this class will be most interesting because of the fact that Negroes are now receiving unusual attention in a factory.

The League is anxious to have a large number enrolled for this work and urges those who have had high school training or its equivalent to take advantage of this unusual opportunity. The League also has a class in social service training.

#### SENATOR MCCORMICK FAVORS CURTIS BILL

WASHINGTON, Oct. 22.—One of the most active supporters of the Curtis resolution to investigate riots and lawlessness in the South, Senator McCormick, of Illinois, in a statement to the Associated Negro Press, he says, "I am most interested in asserting the supremacy of the law, who are determined to enforce the law and to protect the lives and property of the colored people, which will carry weight throughout the country. At the same time, as Mr. Curtis said in a statement recently, 'I am not a leader of both races as trying as they never have before, to meet the problem of the relations between the races and get white men and black men to have equality of opportunity, and of education in a degree unexcelled for a generation.'

#### IN MEMORIAM.

In remembrance of my dear daughter, Gladys, who departed this life October 22, 1919, at the age of 18 years. Our hearts in deep sorrow return to the Lord who called her home. Our memories recall how dear both to you and away.

One year ago, with all its change, Since death strangely bade us part, But my child, all these changes through, Cannot take you from our hearts.

Gone in the best of your days, Brightest in womanhood's bloom, Gone from hearts that loved you, To sleep in the silent tomb.

Sadly missed by mother, Josephine Tyler, and brother, Earl C. Tyler.

#### IN MEMORIAM.

In loving memory of my wife, Maud, who departed this life one year ago, October 19, 1918. She is sadly missed. It was our Master's will. Your passing leaves a vacant place in this world that cannot be filled. Sleep on, Maud, as I carry a heavy heart for you. Yet, my heart be lightened when I think of you in the Great Beyond.

Sadly missed by mother, Josephine Tyler, and brother, Earl C. Tyler.

#### IN MEMORIAM.

In loving memory of our dear son and husband, Albert S. Palmer, who departed this life one year ago, October 19, 1918.

One year has passed, Sad and broken-hearted was the call, I thought that on that day, My dear son should pass away.

In his lonely grave he sleeps, As the shadows onward fall, And now our hearts are weeping, No more his presence we can call.

Do not ask us if we miss him, Oh, there's such a vacant place; Oft we think we hear his footsteps, Or we see his smiling face.

Day by day we sadly miss him, Friends may think the wound is healed; But they little know the grief That's within our heart concealed.

He shall never be forgotten, Never from our memory fade; Loving hearts still wait in vain, Around the grave where he is laid.

Sadly missed by Mother, Will and Grandmother.

#### IN MEMORIAM.

In loving remembrance of F. D. Thomas, who departed this life October 22, 1917.

Sweet are the memories we have of thee, When in our home you used to be, So good, kind, loving and true, Ever mindful of all around you.

Sadly missed by wife, Mrs. F. D. Alston; Ruth Green, step-daughter.

#### IN MEMORIAM.

In loving memory of William H. Gates, who departed this life two years ago.

A precious one from us has gone, His voice we loved is still, His place is vacant in our home, Which never can be filled.

Sadly missed by parents, Mr. and Mrs. George Gates, and other relatives.

#### IN MEMORIAM.

In memory of our dear mother, Mrs. Thomas, who died Oct. 25, 1918, one year ago.

One that not forgotten, you will ever linger in our memory.

'Twas the Lord who called you home, To live with Him forever, around His bright and happy throne, That has gone dear mother, Our hearts are filled with pain, Shut out that bright and happy shore, We will see you again.

That sweet face will greet us, As in days of yore; When we much our Heavenly home, There to part no more.

Sadly missed by Eliza Willis, daughter; Morrison, William A. and Clinton Thomas, sons; Joseph R. and Arthur W. Thomas, grandchildren; Anderson, niece; Daisy, Marie and Frances Thomas, daughters-in-law.

#### IN MEMORIAM.

In loving remembrance of our dear wife and mother, Katie Bruce, who departed this life one year ago, Oct. 20, 1918.

Just one year has passed away, Since our dear one left us, Our hearts are filled with pain, Shut out that bright and happy shore, We will see you again.

Sadly missed by Jas. Bruce, husband; Joseph Bruce, son.

#### IN MEMORIAM.

In memory of our loving mother, Mrs. J. H. Huggins, who departed this life Nov. 5, 1918.

Years of silence often flow; Though you shall keep her near us, Though she left four years ago, No friend on earth like her we find.

God called her home it was His will; But in our hearts she lingers still, For all of us she did but best.

God grant her eternal rest; God missed by son and daughter, Marshall Huggins, Lottie Ellis and Mary E. Rouse.

**FOR SOCIAL EQUALITY**  
"We Are After Social Equity, Social Sanctions. We Want to Walk in Jerusalem Just Like John." Says Col. Charles Young  
By Associated Negro Press.

PROVIDENCE, R. I., Oct. 25.—Col. Charles Young, U. S. A., the highest ranking officer of his race in this country, who was retired during the world war, but reassigned to active duty, and had charge of Camp Grant with 3000 men and 192 officers, is interestingly talked to 300 colored people recently in Trinity Church auditorium. Broad street, counselling patience, moderation, co-operation and race unity.

The colonel, who is a graduate of West Point, has represented his country at home and abroad for four years in Africa and absorbed much information, at first hand, about the Negroes of the world. He declared that the Negro has a glorious history, and is not a child race, but was civilized before coming to America in slave ships 300 years ago. He made no direct reference to the Omaha convention or other racial troubles in this country in his address at the auditorium but did say that he has been told that a freemason was dead in some places in this country, and that it behooves every American citizen to know the man who is making a free man to throw bombs, train cannon, pull triggers to exhaust every possible peaceful expedient before resorting to violence. He told his audience, especially the returned service men of whom, there were more than 2000 present, that they had the American Legion through which to fight their battle for fair play and justice, and ought to join it, even in separate posts, which he preferred, as while white people know many things about colored people do not know, colored people know many things white people will never know, there being, among them an old-fashioned sense of honor. "We are not hunting social equality," he declared, "A. C. White, N. C.; Chas. Stofel, Treas.; R. M. Hoenley, Clerk; Marble Bailey, V. C. "They shall love thy neighbor as thyself."

"We are not hunting social equality," he declared, "A. C. White, N. C.; Chas. Stofel, Treas.; R. M. Hoenley, Clerk; Marble Bailey, V. C. "They shall love thy neighbor as thyself."

"I believe in my country's flag and the principles under that flag. I believe in the black man standing with the black man and with the good white people, shoulder to shoulder, and I believe that if we break out again, you fellows in the gallery and in the pit are solving again, as you people always have done in defense of their country."

"I believe a majority of the decent people of this country North and South; are with us. I believe in my own black skin and my own black race, and that God had a great purpose in placing us here. He has made my race the most noblest and the best with stronger bodies than any other race."

**A LITTLE HISTORY ON AMERICANISM**  
Associated Negro Press.  
REVERIE, Mass., Oct. 15.—There was a large attendance at the Pleasant Sunday evening service at the 1st Baptist Church. The Hospital Unit carried out the "I love my country" song. "Old Black Joe" and "Old Kentucky Home" and the congregation sang "Swanee River" and other Negro melodies. The subject of the sermon of the pastor, Rev. C. W. Chamblin, was "The Negro in America."

Next year New England and the rest of the country will celebrate the 30th anniversary of the landing of the Pilgrims, said Mr. Chamblin. The present year is a similar anniversary of the coming of a "new" group who have become a large factor in our national life. The husband of Pocahontas was a white man of the world, the colony in 1619. "About the last of the 17th century a Dutch man of war had 1200 Negroes." Those were the first of what now constitutes nearly twelve million of our population.

This it is seen that the Negroes as well as the Pilgrims have the distinction of being 100 per cent American. The first company of twenty was subsequently augmented by many more negroes from the West Coast of Africa. "Some New England men being among those who profited by the early trade in the history of the Negro in America, the first chapter is 250 years of chattel slavery when they were held and treated as property, the same as cattle and hogs. There were kind masters and there were brutal ones. The first militated against the slavery but no man is good enough to own his brother. After much agitation, out his product of reconstruction, he was unanimously elected to membership of the International Committee of the Young Men's Christian Association, Governing Board of the
